

## ward one western general

**CLIENT:** Lothian University Hospitals  
NHS Trust/McMillan/CRUK

**ARCHITECT:** Aitken Turnbull

**M&E Value:** £0.7m

**SECTORS:**

Hospitals > Ward Refurbishments

A complete refurbishment and extension to the Western's out patient chemotherapy treatment ward.

Patient treatment areas, consulting rooms, drugs preparation rooms and dedicated ultra-clean pharmacy facilities for drug preparation are included in the new facility, together with support facilities such as offices and a staff kitchen.
